Children Awaiting Parents Announces Jaclyn Rugg as Office Operations Manager

Rochester, NY— Children Awaiting Parents (CAP) is pleased to announce the appointment of Jaclyn Rugg as office operations manager beginning Monday, March 16. She will manage and oversee day-to-day office operations, manage CAP’s multiple databases, coordinate human resources, and work on grant writing and event coordination and planning.

“Jaclyn comes to us with strong and extensive experience in many critical areas for Children Awaiting Parents,” said CAP Executive Director Lauri McKnight. “I am particularly excited about her robust background and abilities in development, grant writing, and events which will serve our agency extremely well.”

Ms. Rugg comes to CAP from the University of Rochester Medical Center Division of Orthopaedics where she was the office manager at the Orthopaedics and Podiatry location in Victor, NY, with prior experience as a physician support specialist. She also worked as a grant administrator at Rochester Regional Health System and development specialist at FF Thompson Health System Foundation Administration.

She is a resident of Honeoye Falls and a graduate of Rochester Institute of Technology where she received her B.S. and M.S. degrees.
